DETAILED ACTION

Information Disclosure Statement

Two (2) information disclosure statements (IDS) were received on October 12, 2007 and January 24, 2008. These information disclosure statements were previously considered in the Office action dated May 5, 2008. However, documents WO 97/20505 and Derwent 1978-B8090A were not considered at the time. This supplemental action communicates to the Applicant that these references are now considered.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: Neither the prior art of record, either alone or in combination, nor the documents WO 97/20505 and Derwent 1978-B8090A cited in the information disclosure statements filed October 12, 2007 and January 24, 2008, respectively, suggest or teach inverting an annular, planar clip with radially outward pointing tines to form a clip with radially inward pointing tines and subsequently heating the clip in its inverted configuration.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
